

Leaders In Training

Are you ready to learn what it takes to make camp happen?

JOIN OUR LIT PROGRAM

The Leaders In Training (LIT) program is a week long training for students ages 15-17 that gives you the opportunity to learn more about yourself, grow in your faith, and practice how to serve others to your best abilities!

LEADERSHIP TRAINING

In addition to learning about everything camp has to offer, we also go through a curated curriculum that teaches us how to be servant-leaders by looking at how Jesus led in the New Testament.

LASTING MEMORIES

LITs spend their week together amongst the summer staff & full time staff, creating lasting friendships and learning lessons with people who love God!
