

FAQs for Registration

WEBSITE: Registration is hosted by Big Sandy Camp and their page will take you to CampBrain. It's not a scam, this is just how it works. You do need to create an account and will select *MN Homeschool Mom Retreat*.

PAYMENT: If you can, **please pay by e-check**. This will avoid a 3% service charge for you and even more for us! Last year these charges really affected our cost, so if avoidable we'd really appreciate it.

SCHOLARSHIPS: Several people have asked how they can contribute to moms who may need assistance in order to be able to attend. When you check out you can select to donate an amount of your choice. If you are in need of financial support please email office@bigsandycamp.org.

COST: About 75% goes directly to the camp for rooms and dining. We have to pay for insurance and speaker fees, flights, plus we also cover the cost for our volunteers. We actually have not budgeted for decorations, welcome gifts and other misc. expenses. We try to offset some of the cost by finding companies that contribute amazing items to our giveaways. In the past we have been able to give away over \$3,000 in curriculum and books.

We are aware that we could charge companies and let them set up curriculum tables, this would help offset some of the price, but our goal is to give you a space to relax. We don't want you to feel overwhelmed or pressured to buy anything on the spot, so at this point we need to cover the full expenses. Sometimes companies donate curriculum or financially give and we provide their resources for you to flip through but no outside sales are allowed.

FAQs for Registration

BABIES: If you are bringing a baby, said child should be 9 months or less. You will be placed on the main floor in Birch, the same building where we have sessions. You may want to bring a baby monitor for nap times and if possible please schedule naps to happen during sessions. We can not guarantee a full size bed for co-sleepers, but you will have a bottom bunk. You may want to bring a pack-n-play. If you would like to bring a mothers' helper with you please register them as well under Baby Room (\$245), and we ask that you inform us of their age if under 18. We also have a few women who have volunteered to hold noisy babies in the foyer, during the sessions as needed, so everyone can hear.

NO BABIES: Some attendees prefer to not have babies present during their retreat. You will have the option to select that you do not wish to be roomed with a baby. In this case you will not even be on the same floor as a baby. We understand and that is completely fine. In regards to why we allow babies at all, it's because we have all been there and moms of newborns can often be the ones who need these retreats the most. Please be gracious and remember what it was like when you needed fellowship at those young ages.

FOOD: The registration form will ask about any dietary restrictions. Watch this for more...
